It is insoufence to continually flaunt the name of Cleveland in the face of the Democrats. Cleveland, who did more than any other one man to defeat Bryan in two campaigns, an unreconstructed bolter, the chief conspirator and traitor, has less claims on the Democrats than any other man. Already honored far beyond his merit, he had it in his power to turn defeat into glorious victory, but refused. The Democrats will not accept him. They will not stoop to the baseness of such a cowardly surrender.

SOUTHAMPTON SUBDIVISION

Now being placed on the market by the MERRILL TRUST COMPANY OF ST. LOUIS, as agent. This property, which is in Southwest St. Louis, is on high and perfectly drained land, and is destined to be one of the city's choicest residence sections. All improvements, such as paving, sewers, water, sidewalks, curb, gutter, gas, etc., are in or being placed. Restrictions imposed by the vendors, guarantee the high character of the neighborhood in perpetuity. The lots are offered at an extremely low price, and on easy terms, with a cash bonus of \$200. The balance is \$10.00 monthly payments. In the event of the death of a purchaser, the balance at once paid, title to the property vests at once in his FREE OF ALL ENCUMBRANCE.

By this unequalled plan of the Mercantile Trust Company, the purchaser and his family are insured against loss. The Company also offers to the first ten purchasers of a building line of 20 feet and a minimum value of \$2,000 for structures among the restrictions imposed by the Company. The property adjoins the beautiful Kingsway Boulevard, which is contemplated, and this thoroughfare now gives the Transit Company's Car lines a route through the center of the subdivision, bringing it within 40 minutes of the heart of the city, with a five cent fare. Now is the time to get in on the ground floor. These lots are destined to increase in value rapidly. At present they are selling at from \$15 to \$20 a foot, including all improvements. The natural growth of St. Louis is in this direction. For further information concerning this offer, address

This Institution is designed and constructed for the comfort and accommodation of patients who seek relief and recuperation and the recovery of lost health. Its location is admirable for this purpose. It is on the Iron Mountain Railway, 89 miles south of St. Louis, and 640 feet above that city. Nestled at the foot of Shepherd Mountain, embowered among majestic trees, just off the main street, and free from its noise and dust, and alongside, and connected with, the famed Emerson Park, with its shady walks and drive-ways, Sylvan Lake and Grant Spring, and their attractive surroundings, no more beautiful or restful retreat for the invalid and convalescent, or the weary and careworn, can be found in all America.
